“GIRLZ TALK 2023”- SATURDAY, MAY 6, 2023 HOFSTRA UNIVERSITY, SONDRAND DAVID S. MACK STUDENT CENTER - HEMPSTEAD NY

(Freeport, NY- April 27, 2023) On Saturday, May 6, 2023, The Cedarmore Corporation presents GIRLZ TALK 2023 at Hofstra University's Sondra and David S Mack Student Center. "Girlz Talk " is a signature Cedarmore Youth Empowerment Series event where girls ages 11 and up gather for a day of critical, culturally relevant conversations.

The Cedarmore Corporation's Cynthia P. Roberts Youth Empowerment Series Girlz Talk program was established to educate, empower, and motivate girls from underserved communities across Long Island. This year we are returning to Hofstra University, for the first time since the pandemic. With the sponsorship of the internationally recognized brand, Steve Madden, our summit returns to provide hundreds of girls with a day of empowerment. The summit includes keynote speeches, interactive sessions, and candid conversations that focus on academic and social issues and overcoming obstacles they face as they transition into womanhood.

Girlz Talk 2023 will include keynote presentations and workshops by:

- Teens Under Construction
- Marcella Pizzo
- Tru Outreach Inc.
- Imani Tutt MFT-LP & Intuitive Coach
- LUNA Reflections, Inc.
- Ariana Levin

A special component of the day is reserved for “Mom University”. This program includes workshops that will focus on providing Moms, and guardians, with financial education and an opportunity to connect with one another on a personal level. The sessions provided by JP Morgan Chase and LITMOM will surely add value to the lives of the women the girls look up to most.
